TESTIMONIES FROM AROUND THE WORLD

A WORD FROM THE DIRECTOR

Enjoy the following testimonies.

From India:

On behalf of our church and co-workers I'm expressing heartfelt thanks to you all for the support extended towards our needy ministry, your support are making us to move forward in the mission fields in order to reach the lost. By the grace of God we baptized 5 people from one family on 19th of this month their name is Mr. Prubu and family, this family accepted Christ as their personal savior. They have come from a strong Hindu background and they came to Christ through the literature ministry.

From Uganda:

I happen to serve with these magazines in hospitals, streets, prison and door-to-door evangelism and I

have seen the joy they bring in the hearts of people. They revive the patients to recovery and healing. Most have never received such a gift from anyone with such love of Jesus Christ. Most of them testify concerning messages they read inside. Many get saved and others change their spiritual lives. You have been and still are a vital help in our evangelism outreaches by supplying us with such Christian material.

Togo

I can't express my gratitude to you and your mission. The books and Sunday school lessons and the magazines you have sent to me are so good. One of the magazine I read spoke about a missionary who taught in a Bible School and was killed by Army robbers. He was my teacher! His name was Machett Tim and when I read it I remembered him in those day I was in his class. I would tell you that all books are good but one I have read six times. I just want to write

this to you and say that all the package you have sent to me are so good and I have appreciate it a lot. Also other pastors are enjoying the books. Thank you very much I will be praying for you and your mission.

From India:

All the literatures you send has been a great help in different areas of our ministry. Those literatures went to all the states of India. Bibles, books, Sunday school materials etc. has been great help for the ministers in mission fields. The books we have in the library is a great blessing for our Bible school and different Bible schools around us here in Kerala. Even we could share books with some other Bible schools also because they have no library. Besides these several ministers going to Middle East and some of the lay preachers those who are working in Middle East took lot of literatures for their personal studies and for others. We are using tracts and old magazines etc for our open air meetings, house visitations and hospital ministries.

From Tanzania:

I wanted to send my thanks to Love Packages for your good work that you have been doing to rescue the suffering and lost souls here in our country of Tanzania. I thank God that I found out about the shipment of gospel materials that came to your distributor.

I phoned him and he invited me to come and collect gospel materials free of charge. Within a week everything I had picked up was gone except for 1 small box of books I kept to start a library in my church. I asked him were he got these materials and he said: From our friends in America and explained of your ministry. I want to encourage you to continue sending us as the need is very great for the Word of God at present. I am afraid the need

Greetings to you in the name of Jesus our Lord and soon coming King. By the time you get this newsletter we will have shipped out over 520 tons of literature this year. We are close to being on track to reach our goal of shipping 1200 tons of literature this year. We need your help in collecting more literature to reach our goal. If we reach 1200 tons that will be enough literature for 60 million people to read.

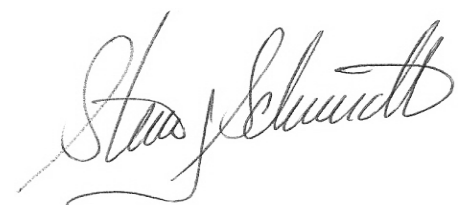

Sometimes when I write this letter to you it seems that I say the same thing that I have said before. I guess that is because we are still doing the same thing. Thirty-seven years I have been doing this, and I am still thrilled about putting the Word of God in people's hands.

Can you please remember to pray for us. Your prayers and help are needed and would be much appreciated as we move forward this year. We really believe that God is in control of the efforts of Love Packages, that is why I never ask you for funds. I only ask you to ask the Lord and respond accordingly.

Would you also pray for the tens of thousands of people who are reading Love Packages literature right now? Ask God for a great harvest, for healing, salvation, deliverance, callings, encouragement, revelation, and for the purposes of God to be birthed in the nations. Thank you in advance for your prayers.

I am humbled to think of the great work that God is doing through Love Packages. My heartfelt thanks to all of you that make this happen.

I remain,
Yours for souls.

is bigger than the supply but we will continue to pray.

From Trinidad:

Greetings in the name of Jesus. We are pleased to provide the following report on material that you have sent to us. Recently, an American evangelist held a crusade in Trinidad. It was the single largest gathering of people in Trinidad and Tobago ever recorded. There was on average 150,000 people each night. The organising committee approached us for literature and we provided a lot of literature for the crusade and a lot of Sunday School material for churches, as there were more than 300 churches represented at the crusade. The bicycles are greatly appreciated. We gave them to Pastors working in the rural areas where they could ride around. Also, a lot of literature was given to Jesus is The Answer Ministries who operate in the jails and the youth rehab centre. They are doing an excellent job.
