TESTIMONIES FROM AROUND THE WORLD

A WORD FROM THE DIRECTOR

Enjoy the following testimonies.

India:

Greetings to you in the name of our Lord Jesus Christ. First I want to introduce myself. I am Sister Sujatha. I am from a Hindu family, but now I am purely Christian, no doubt at all.

One day unfortunately I lost my parents by accident. My relatives also left me in a few days. At that time I had no proper shelter. I worshipped so many gods of Hindus and followed strictly my religion's customs and practices but there was no reply from them. My problems were increased, and it was very hard to take meals, so I decide to die at that time. I thought why am I living with so much trouble? Then I went to the railway

station to die. At that time one of the pastors was coming towards me and he gave me Christian literature which was sent by you. Then I wanted to read them once before going to die but fortunately that valuable literature sent by you brought me new life. Only your literature kept me alive until today.

When I went to my house, I read completely the book entitled "The Almost Christian". Thereafter I am living in Christ and believe that Jesus cleansed my sins with His precious blood. I took baptism in the Church which is near to us and dedicated my total life to the Lord Jesus Christ. Now I have strongly decided that I want to do gospel services that is why now I am doing gospel services among the women especially the young girls. Nowadays girls are disturbing their lives with bad habits and in our country women also follow religious practices. They are wasting their valuable time they are not

worshipping the real God, so I want to change all of them towards Jesus. I kindly request you please send literature and Bibles. They will be helpful to my gospel services among the women. Pray for me. Everyday we are praying for you. Thank you dear Spiritual Father in Christ.

Nigeria:

A lot of churches participated in children summits and were given materials to meet up with children's demand. The CDS, D.V.DS were of great value and they are in high demand. More cities are requesting for literature books and Bibles, the need for Christian books literatures and Bibles cannot be over emphasized. Steve your ministry has been a great blessing to many generations, lives are been changed. Indeed you are doing a great job. We may not have silver and gold to send to you but our prayers will always go high for you.

Ghana:

The containers of literature from Love Packages have been a tremendous blessing to the people in Ghana. We have used the tracts to draw crowds at open-air events, and in the process many souls have come to Christ. We distributed Sunday school material at a leadership conference to hundreds of pastors who took it back to their home churches. They were so grateful to have something to bring back to their people. It is such as huge blessing to churches for them to have material to give out – in Ghana that is incentive enough for some people to visit a church! The best part is we have been able to use the material with our own kids, the over 90 orphans at Agape Children's Home. They have even helped with unloading and sorting the materials we give away, which gives them the opportunity to serve and give back. The Agape kids can hardly wait to come to church because of the materials. One of our

Greetings to you in the name of Jesus our Lord and soon coming King. Already this year we have shipped out 640 tons of literature. We are almost on track to reach our goal of shipping 1200 tons of literature this year. We need your help in collecting more literature to reach our goal.

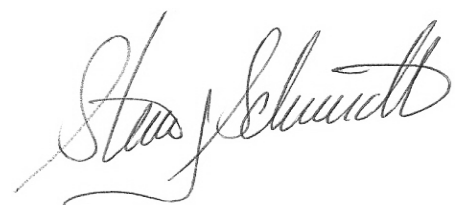

It is a thrill for me to share with you a few of the many testimonies that we receive from all over the world. Your literature is changing lives and rescuing people from despair, death, and hell.

Just last week we received the testimony of Sujatha who was going to the railroad station to throw herself in front of a train and end her life. As we were reading it, the pastor who had sent it to us, called on the phone. "Have you received the testimonies I sent," he said. "Yes, we are reading the one about the girl who was going to throw herself in front of the train", I said. "Oh, she is such a good Christian now", he said. "she goes everywhere with your literature telling everyone about Christ."

What a joy to hear how one little booklet has changed a life. How many will Sujatha touch and reach? What impact will her life have in reaching India. How many women will she win for Christ. Only God knows.

At the beginning of the year we set a goal of shipping 1200 tons of literature overseas. Enough literature for 60 million people to read. We need your help in collecting literature, in praying and in supporting this work. People like Sujatha are waiting.

I remain,
Yours for souls.

TESTIMONY OF PROSTITUTE

Dear Brother in Christ, My name is Jhansi. I earned my daily living as a prostitute and never really thought about this way of life. When I saw your books for the first time, I mocked those who were distributing them but the color of the books attracted me, and after a few days I took one. When I opened it I saw the pictures and so I started reading. Since that day I am a changed person. I never thought my life would change in this way but today my life is very different and I am living as a child of God. Please pray for me. Jhansi
