TESTIMONIES FROM AROUND THE WORLD

A WORD FROM THE DIRECTOR

Enjoy the following testimonies.

South Africa:

Thank you so much for the boxes of books that we received from you. Once again God is in control of your giving. It's as if you knew exactly what we needed and the books were not randomly picked but packed according to a check list that we had sent you!! We have ventured out in faith and are taking our school one step higher into grade eight next year! The series Hero's of the Faith are perfect for a grade eight set work/reading book!! We currently have 28 Grade sevens and there are 2 or 3 that will not be returning next year, You sent us 27 books!! just enough for the grade eight class!! How great is God! Thank you once again for your faithfulness in

I felt very different and I believed that Jesus Christ could deliver me from all these chains in my life.

doing Gods work.

India:

I am Bro.Venaktrao from West Godavari, India. I was lost in theft, immorality and drunkenness. That was my whole life and I made my family miserable because of the terrible things I did. One day Pastor Paul and his team gave me gospel tracts. I read the papers and I began to think seriously about it. Afterwards, I tried to pray to God and while I was praying. I felt some thing detaching itself from my body, and leave me. I felt very different and I believed that Jesus Christ could deliver me from all these chains in my life. Today I can say that I have been delivered. **TODAY I CAN SAY I HAVE BEEN SET FREE!!!** I am not doing the terrible things I used to do and I have joined a Christian group where I am praying to Jesus Christ and I am living a new life free from those terrible chains. I request the whole Love Packages Prayer Warriors please pray for me and for my family.

Jamaica:

The container was cleared and unloaded into the warehouse. It took us 2 days but it was worth it. The books are great and I know a lot of children are going to have a great time in Sunday School and

Children's church. We want to thank you for the Bibles and Pastors' books, They will go a far way in helping pastors to improve their library, especially those who can't attend Bible Seminary for one reason or another. The two days were exciting as our team to unload the container was comprised of children from age 3 - 15 and their strength blew us away.

Chennai India:

My family loves doing ministry. We go to the beach every Saturday where we see many college students sitting around, and we minister to them. They ask us for Bibles in a simple version. When I went to the FPTL Book Exhibition I picked up many New Testaments, old and new Bibles. So when we go out for our weekly ministry at the beach, we distribute these Bibles to the students. My son and daughter in-law teach in Sunday School and were so excited to get Sunday School material.

India:

By the grace of God I have received six baggages of books and bibles , as soon as your baggages reached us our co-workers and branch church pastors have rushed to our church to take the books and bibles for the evangelism. They said that they have received the greatest treasures to win hundreds' of un-reached souls .

Nigeria:

Out of the 36 States and Abuja, we have distributed literatures in 12 states. Six states in the northern Nigeria, Muslim zones. Three states in western Nigeria and three in eastern Nigeria. We have a lot to cover by his grace, the joy of it all is that souls are being won for the Lord. Testimonies of healings, deliverances, and well being are pouring in our office. We were able to cover over 1500 pastors and thousands of Christian workers in many cities with Bibles, Christian Literatures and children materials. Thank God for you and your ministry.

Ghana

We had a wide distribution of the materials to schools, orphanage, hospital and offices. We are happy to report that thousands of people have been blessed

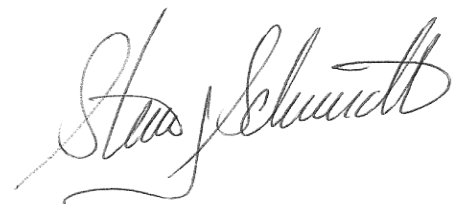

Merry Christmas to all of you. I hope all of you had a very happy Thanksgiving. I know that we here at Love Packages had much to be thankful for. What a privilege it is to handle the Word of God each and every day. As you will see in our totals column on the last page we have handled a lot; 901 tons so far. It looks like we will be able to surpass last years totals - but not reach our goal of 1200 tons. Am I disheartened, no, I rejoice. I remember for years my goal was to send 250 tons a year, now we do that in 3 months. I rejoice because today, millions of people all over the world are reading literature, life changing literature, that was sent from Love Packages.

We still have one container that is stuck in Liberia. Please, if you would pray for it's release.

You who have received this newsletter for sometime, know that we don't use any gimmicks or pressure to raise funding for our shipping and expenses. We don't come to you and tell you "we have a crisis" and "unless you give we will not make it." That's not us, that's not how we operate. We only have three people that are paid staff, and we have no fancy buildings. We consider it an honor and a solemn responsibility when you entrust us with your gifts. We believe in using what God has given us to the absolute best. Thank you for all of your giving this past year. It has made a difference in multiplied millions of lives. I know that this time of year can be very busy, but **can you take a few moments** and ask the Lord what He would have you do to help the ministry of Love Packages. Your kind and generous gifts will be much appreciated.

Again, have a great Christmas. Approximately the second week of January, we will be sending an end of year receipt to all of our supporters.

I remain,
Yours for Souls.

Testimonies from around the world

through this free distribution of materials. We estimate that we have reached at least 3,000 people with the materials your organization offered to us.

Mexico

We want to thank you for all the Bible materials that you have sent us. This Bible material will be a great blessing to us and others. We appreciate all this material. Spanish material is so very hard to find.

Philippines

Sure am glad to have received from you! The Bikes that you gave has really been a blessing to all of our Pastors that got one. These little tools has saved a great deal of money for the churches due to the fact that they don't have to spend money on fare to go to Bible Studies. The Xerox Machine has also greatly blessed us as well, this too has become a great savings to and for our Ministry. The Books are being used by all of our Schools but still it seems like there is never enough Reference books, Dictionaries, or Commentaries. The Sunday school literature has been distributed now all over the Islands, and the Children are so happy in all of our Churches. Pastors, are looking to us now as a literature distributor. Ha ha.
